This information had been passed to the PCC and it was agreed to defer the matter until further notice pending a response from the PCC.
- b) Raised Footpath, Main Street – The Clerk advised he had passed the matter of the overgrown hedge to Highways on the 29<sup>th</sup> June and awaited a report from one of their inspectors.
- c) Allotment Licences – after discussion it was agreed that whilst there were various agreements in place with several allotment holders, it was not in the Councils interest for these to be permanent or transferable. It was agreed that more formal agreements should be found that safeguard the interests of the Council, the Clerk was instructed to look into this.
